

	F God loves each of us in our uniqueness	1 We meet God's love in our family	2 We meet God's love in the community
Physical	Does it matter if we are different? Look at me – how am I different from you? Look at you – how are you different from me?	Who is in my family? How many children have babies in their family? Remind children that babies come in different sizes. Talk about how fast babies change and grow.	Do you belong to a community? What other community do you belong to? How do you belong to these communities?
Social	With whom do I play with at school/home? Why does (x) play with me? Name favourite games.	When did I first crawl, walk and speak? Parents share the wonder and excitement of these moments of growth and development for them.	Is belonging to a community important? What do we receive from the community we belong to? What do we give to the community we belong to?
Emotional	How do you feel about your friend? Do you both have other friends at home/school? Why do you play with them?	What are the happiest moments in your family? What are the saddest moments in your family? How is love shown in your family?	How does a community help us to develop our feelings and emotions? Are we always happy in our community? Are we, as a community, sometimes sad or upset?
Intellectual	Is it important to have friends? Describe a good friend.	Why do we need to grow up in families? What happens if you grow up without a family? What would you miss? How would life be different?	Could people feel along even though they belong to a community? What would they miss out on? What are the advantages of being on your own?

Spiritual	Is Jesus our friend? Jesus welcomes little children. Who is the Mother of Jesus? Why is she special?	We are members of God's family. How were we born into God's family? What special title do we give to God as members of God's family?	Is God is called 'Our Father', what does that make us? As children of God, how should we treat each other?
