

Getting ready for Apprenticeships

Start Monday 14th September

Thinking about a role where you earn while you learn? Then an apprenticeship could be perfect for you. Don't know where to look for apprenticeships and want to know more? Then join our programme at Citizens Advice County Durham and we will support you to find an apprenticeship that's right for you. Whether that's in an office, in production, warehousing, construction or engineering, we can help you to make sense of the apprenticeship world and create good quality applications that get you noticed.

Starts Mon 14th Sept – 11am-12- for Induction and Meet the Trainers in ' Google Meet'

Then 1-3pm each Monday, Tuesday and Wednesday (14th to 30th Sept 2020)

Participants must be registered with DurhamWorks. To check your eligibility and to register please visit www.durhamworks.info (You must be aged 16-24, unemployed and resident in County Durham)

All participants must have access to internet/wi-fi and a suitable device to access the training which will be delivered via Google Classroom, Google Meet and one to one telephone support.
