

Key Knowledge

Produce a video that shows sequence and progression with a clear beginning, middle, and end

Use appropriate filming techniques, capturing the scenes from the storyboard with clear audio

The video has been edited to join scenes, matching the storyboard

Key Vocabulary

Video	The recording, reproducing or broadcasting of moving images
Audio	Sound which has been recorded, transmitted or reproduced
edit	Prepare something to be published by first correcting, condensing or changing it in some way
story board	A sequence of drawings, typically with some dialogue and directions, representing the shots planned for a film
panning	Swing the camera in a horizontal or vertical direction to give a panoramic effect or to follow a subject
import	Transfer data into a file or document
